

THE OFFSHORE PETROLEUM ACTIVITIES(OIL POLLUTION PREVENTION AND CONTROL) REGULATIONS 2005 (AS AMENDED)

Dana Petroleum (E&P) Limited has applied to the Secretary of State for Business, Energy and Industrial Strategy for a permit to discharge effluents containing hydrocarbons in connection with the Western Isles FPSO located in the northern North Sea, as required under The Offshore Petroleum Activities (Oil Pollution Prevention and Control) Regulations 2005 (as amended).

In accordance with the requirements of regulation 5A of The Offshore Petroleum Activities (Oil Pollution Prevention and Control) Regulations 2005 (as amended by the 2011 Regulations), copies of the application may be inspected between 10 am and 4 pm on business days at Dana Petroleum (E&P) Ltd, King's Close, 62 Huntly Street, Aberdeen, AB10 1RS until the close of business on 20th September 2017.

Copies of the application may also be obtained from Niall Bell (**niall.bell@dana-petroleum.com**) subject to a payment of £10 by cheque made payable to Dana Petroleum (E&P) Limited.

Members of the public who avail themselves of these arrangements have until 20th September 2017 to make representations in relation to the application to the Secretary of State for Business, Energy and Industrial Strategy in the form of a letter marked with the oil discharge permit application reference PRA/228 OLP/531 and addressed to:

The Department of Business, Energy and Industrial Strategy
Offshore Environmental Inspectorate
AB1 Building,
Wing C, 2nd / 3rd Floor,
Crimon Place
Aberdeen
AB10 1BJ

Alternatively, letters can be emailed to the Offshore Environmental Inspectorate at **offshore.inspectorate@beis.gov.uk**.
